

Paulius Kancleris

Portfolio: paul-kanc.github.io LinkedIn: www.linkedin.com/in/paul-kanc/

Profile

As a highly motivated Computer Science graduate seeking a position in technology, I am excited to showcase my passion for creating innovative solutions. Throughout university, I have demonstrated exceptional time management skills by taking on a workload from my role at Ocado, while still achieving a 1st class degree. Additionally, my personal interests in building computers and exploring emerging technologies have further honed my technical skills. I am eager to apply my abilities at a professional standard.

Education
